VINEYARD AND WINERY

## Tephra Ridge

2019

Cabernet Sauvignon

Tephra ("ash" in Greek) is rock ejected by volcanic eruption. This steep, 35 acre historic vineyard rises to 1,800 feet in elevation at the north foothill of Howell Mountain. Its thin, gravelly loam and volcanic soils typify the finest Bordeaux variety sites, as do its climate, topography and vegetation - fir, madrone, black oak and ponderosa pine - yielding a rustic fruit profile.

### Tasting Notes:

The Tephra Ridge Cabernet Sauvignon has notes of blackberry, red currants, tobacco and is earth driven. This wine has silky tannins layered with bright red fruit and baking spices with a smooth finish.

### Winemaking Notes:
